Transcription? I Thought You Were Court Reporters

We are! But Agren Blando Court Reporting & Video, Inc. also has a team of transcriptionists ready to transcribe text from nearly every audio format. We carefully proofread all text to ensure clients receive the best possible quality transcript of the proceedings.

Agren Blando is already a proven leader in this arena. We will deliver your transcript on paper or on disk (in the format of your choice) via a secure FTP site or by e-mail. We also provide electronic transcripts.

Our transcripts adhere to the National Court Reporters Association's Transcript Formatting Guidelines to ensure you get a consistent, accurate transcript every time.

* Guaranteed 7 business day delivery

What Kind Of Audio Formats Can You Work With?

Pretty much all of them. Real Audio, WAV, MP3, Microcassettes, Full-size cassettes, CDs, DVDs, VHS tapes - if you have something very out of the ordinary, just give us a call and we'll see what we can do!
